Nuuku is not a closed wedding package. Couples may build the celebration around their preferred style, planner and creative team.

Couples may select their preferred wedding planner, floral designer, photographer, videographer, entertainment, officiant, specialty decor and other wedding professionals.

## PREFERRED VENDORS

There is no vendor fee when a professional is selected from Nuuku's preferred vendor list.

## OUTSIDE VENDORS

Outside vendors are welcome with prior approval and must comply with Nuuku's event access and operating policies. Vendor setup is scheduled during the morning of the wedding according to the approved production schedule.

Equipment, food, supplies and production materials must enter through the designated service routes. Vendors may not move equipment through private guest areas or enter spaces not authorized for their work. All equipment, decor and materials must be removed according to the agreed breakdown schedule. Vendors are responsible for damage caused by their personnel, equipment or materials.

## CEREMONY COORDINATION

Nuuku coordinates the ceremony operation within the property. Full-service wedding planning is not included. Couples seeking a legally recognized civil marriage in Mexico may request recommendations for qualified third-party professionals who can assist with the legal process.

## EVENT SERVICE AND LOGISTICS

### EVENT DURATION

Each wedding package includes five consecutive hours of staffed event service. Additional event time may be added at \$400 USD per hour, taxes included.

### MUSIC

There is no standard music curfew when Nuuku is reserved for the wedding. Event service hours and any additional staffed time must follow the final event schedule.

### GUEST COUNT

The final guest count may be confirmed up to 7 days before the wedding. Nuuku weddings are limited to a maximum of 34 guests.

### GUEST ACCESS

Wedding guests who are not staying at Nuuku may enter the property only for the scheduled wedding event. Access before or after the event is reserved for registered overnight guests and authorized vendors or staff.

### CHILDREN

Children are welcome as wedding guests. Because Nuuku is a natural jungle property with a cenote, pool, stone paths and uneven terrain, children must remain under direct adult supervision at all times.

### ACCESSIBILITY

Nuuku is a natural jungle property and is not wheelchair accessible. The property may not be suitable for guests who require significant mobility accommodations. Couples are encouraged to consider the needs of their guest list before confirming the venue.

## DESTINATION WEDDING LOGISTICS

### LOCATION

Nuuku is located on the Ruta de los Cenotes in the Riviera Maya, approximately 35 minutes from Cancun International Airport.
